**Working Together to Promote Astrology  
and Local Groups**

The Astrological Association  
BCM 450  
London  
WC1N 3XX  
+44 (0)208 625 0098

[office@astrologicalassociation.com](mailto:office@astrologicalassociation.com)

The Astrological Association promotes and supports the understanding of astrology throughout the UK and elsewhere. As such it has done much to support and encourage local astrology groups. Although not affiliated to any local astrology group the AA is aware that there is much unsung talent as well as nurturing of new talent amongst these groups and so does what it can to help publicise and promote them.

### **Some of the ways the AA help are as follows:**

#### **Local Group Seminars**

The AA have organised seminars in association with local groups for the past few years. The AA source a high profile speaker and advertise the event nationally, the local group sources a venue and advertises locally. Usually these events make a profit, both the local group concerned and the AA share any profit. Events have been held all around the country from Scotland to Gloucester. As well as giving each group a higher profile this also helps add to the groups coffers.

*For details of how your group can be involved please contact Chris Mitchell or Amanda Jarrold*

#### **Free Conference Place for a Local Group Member**

For the last few years one lucky member of one local group has attended conference for free. If any local group fits the criteria they can nominate a member to be put forward for the draw for a chance to win this free place for one of their members. We do ask that the nominee is both a member of the local group and of AA. Thus we help promote membership for your group.

*The full criteria can be found on the AA website's local group news page:*  
<http://www.astrologicalassociation.com/localGroups/news.php>

#### **Astrologers' Diary**

For many years the AA have listed local group meetings and events <http://diary.astrologicalassociation.com/> All that is needed for this to happen is for the group to let Val Dobson know about their meetings.

*To submit your group's meetings and events please email them to Val Dobson [diary@astrologicalassociation.com](mailto:diary@astrologicalassociation.com)*

#### **Local Groups List on the AA Website**

The AA have listed Local Group contact details on their website since they first had a web presence. Groups are listed by area and by name, thus making it easy for interested parties to find their nearest group.

*<http://www.astrologicalassociation.com/groups/> In order to be listed here submit details of your group to Glenda Cole*

#### **Local Groups Advice Leaflet**

With the help of local group members we have put together an advice pack for anyone wishing to start their own Local Group. [Click here for the link to read or download the leaflet](#)

#### **Local Group News Page**

A recent addition to the AA's website is the local group's news page. Here you can share information about one-off items of interest concerning your group. This page is also useful for anyone who wants to get in contact with other astrologers in their area in order to start a group. <http://www.astrologicalassociation.com/localGroups/news.php> *Send items of interest to Glenda Cole [astrogroups@gmail.com](mailto:astrogroups@gmail.com)*

#### **An Individual Web Page For Each Group**

The latest innovation the AA offers to local groups is a web page to promote their group. This is ideal for groups who don't have their own website. On this page you can tell the world a little about your group as well as show it's location on Google maps. You will need to be an AA member to submit your page entry.

*To submit log in to the AA's website as a member, you will find a link to a form that you can fill out and submit in order to have your web page built.*
